

Assembly Instructions for Edo Table Top With Celino Table Base

1. Place table top face down on sheet of cardboard or other protective service so as not to mar the top.
2. Use short screws with washers to fasten (hand tighten) legs to table top as in figure A.
3. Slide ring on to legs with inner ring facing flat side to under side of table top. (Note inner ring N/A for 24" Table Tops).
4. Insert larger screws into ring tightening to legs.
5. Finish tightening screws from legs into table top.
6. Note thumb wheel on one glide for leveling.
